PAGE 1: 2016 City of Greater Bendigo Council election survey of candidates

Q1: Please enter your name and Ward that you are standing in.

Elise Chapman Lockwood Ward

Q2: Do you agree with the following statements by the Intergovernmental Panel on Climate Change (IPCC)? 'Warming of the climate system is unequivocal' and 'Human influence on the climate system is clear'.

No

What do you think we should do about it in Central Victoria? I am a Global Warming Sceptic. I appreciate that there is more than one opinion on this issue and I respect everyone's right to voice their opinions even if I disagree.

Q3: Select the goals you support from the recently released City of Greater Bendigo Environment Strategy 2016-2021; which includes (click to select, leave blank if not supported)

- 100% renewable energy generation from local & regional sources
Highly energy efficient systems and buildings
Zero recoverable resource sent to landfill
Council will support commercial scale agriculture & horticulture, and local urban food production
Council will promote green job & industry creation in Bendigo
Council will fund initiatives like Sustainability Awards and the Community Sustainability Festival.
Council will work with businesses and community to secure 100% renewable energy for all Greater Bendigo residents & businesses

Q4: Do you support Council's plan to transition Greater Bendigo to an integrated transport and mobility network built around neighbourhoods containing most of residents needs and able to be accessed within a 10 minute walk or cycle or via public transport?

Yes

Q5: Do you support the proposition that our urban areas of tomorrow should be designed predominantly for people and not cars?

Yes

Do you have any particular ideas how we can get the community actively walking or riding far more regularly instead of using the car? Please enter ideas here: Better paths and cycling tracks for residents in particular children. We need a walk to school program, most children live fairly close to the school they attend. More parents need to be encouraged to allow their children to walk and cycle to school. An active lifestyle from an early age is a good thing for everyone.

Q6: Would you support us having a network of connected and safe 'separated' bike paths and lanes criss-crossing our city and towns instead of the current mostly white lines painted on the road?

Yes

Q7: The Council has approved a Cultural Diversity and Inclusion Plan to encourage fairness and equality for all Bendigo's citizens. Do you support this plan?

Comments

I agree with the inclusion plan. I disagree with the Cultural Diversity Plan and I note that all groups involved have a vested interest. There was never a public consultation meeting with everyday Bendigonians.

Q8: Will you work to ensure the Cultural Diversity & Inclusion plan is implemented effectively?

Yes

Comments

Council adopted it, it will be implemented.

Q9: Do you think a Council can represent many views, but act harmoniously?

Yes

If you answered yes, how will you contribute to the Council working together harmoniously?

What has been lacking for the past four years in Council is great leadership. In my opinion a great leader is one that brings the best out of their team. We need a Mayor that will work with all Councillors, inspire them and help them achieve their goals within their wards. A good leader builds a harmonious team and gives credit where it's due. A good leader meets with their team. Over four years not one leader has attempted this.
