PAGE 1: 2016 City of Greater Bendigo Council election survey of candidates

Q1: Please enter your name and Ward that you are standing in.

Geoff Stephens Eppalock Ward

Q2: Do you agree with the following statements by the Intergovernmental Panel on Climate Change (IPCC)? 'Warming of the climate system is unequivocal' and 'Human influence on the climate system is clear'.

Yes

Q3: Select the goals you support from the recently released City of Greater Bendigo Environment Strategy 2016-2021; which includes (click to select, leave blank if not supported)

100% renewable energy generation from local & regional sources

Highly energy efficient systems and buildings

Zero recoverable resource sent to landfill

Comments 100% renewable energy is possible with WTE technology. I cannot comment on 'Council will' because I will be one of nine councillors and cannot guarantee all votes.

Q4: Do you support Council's plan to transition Greater Bendigo to an integrated transport and mobility network built around neighbourhoods containing most of residents needs and able to be accessed within a 10 minute walk or cycle or via public transport?

No

Comments I would consult the greater community for their input

Q5: Do you support the proposition that our urban areas of tomorrow should be designed predominantly for people and not cars?

No

Do you have any particular ideas how we can get the community actively walking or riding far more regularly instead of using the car? Please enter ideas here: Educational programs and information.

Q6: Would you support us having a network of connected and safe 'separated' bike paths and lanes criss-crossing our city and towns instead of the current mostly white lines painted on the road?

No

Comments Footpaths currently rate as a higher priority.

Q7: The Council has approved a Cultural Diversity and Inclusion Plan to encourage fairness and equality for all Bendigo's citizens. Do you support this plan?

Comments

I need to study this document further and would answer no if our current customs, traditions and culture is threatened.

Q8: Will you work to ensure the Cultural Diversity & Inclusion plan is implemented effectively?

Comments

Unknown yet.

Q9: Do you think a Council can represent many views, but act harmoniously?

Yes

If you answered yes, how will you contribute to the Council working together harmoniously?

I will encourage and seek respect but cannot guarantee this to be the case with all councillors.
