PAGE 1: 2016 City of Greater Bendigo Council election survey of candidates

Q1: Please enter your name and Ward that you are standing in.

George Flack Eppalock Ward

Q2: Do you agree with the following statements by the Intergovernmental Panel on Climate Change (IPCC)? 'Warming of the climate system is unequivocal' and 'Human influence on the climate system is clear'.

Yes

What do you think we should do about it in Central Victoria? One could commence by installing 5 Kw solar at both their home and work premises as I have done and therefore lead by example.

Q3: Select the goals you support from the recently released City of Greater Bendigo Environment Strategy 2016-2021; which includes (click to select, leave blank if not supported)

100% renewable energy generation from local & regional sources

Highly energy efficient systems and buildings

Zero recoverable resource sent to landfill

Council will promote green job & industry creation in Bendigo

Council will work with businesses and community to secure 100% renewable energy for all Greater Bendigo residents & businesses

Q4: Do you support Council's plan to transition Greater Bendigo to an integrated transport and mobility network built around neighbourhoods containing most of residents needs and able to be accessed within a 10 minute walk or cycle or via public transport?

Yes

Q5: Do you support the proposition that our urban areas of tomorrow should be designed predominantly for people and not cars?

Yes

Do you have any particular ideas how we can get the community actively walking or riding far more regularly instead of using the car? Please enter ideas here: Have a better public Transport system taking pressure off the reliance upon motor vehicles

Q6: Would you support us having a network of connected and safe 'separated' bike paths and lanes criss-crossing our city and towns instead of the current mostly white lines painted on the road?

Yes

Comments Some of that has already begun eg Havlin St along creek.

Q7: The Council has approved a Cultural Diversity and Inclusion Plan to encourage fairness and equality for all Bendigo's citizens. Do you support this plan?

Yes

Comments

However it falls way short of inclusiveness of ALL Bendigo's Citizens and therefore needs a solid update.

Q8: Will you work to ensure the Cultural Diversity & Inclusion plan is implemented effectively?

Yes

Comments

Once it's complete - it falls sort at this stage on it's "inclusiveness".

Q9: Do you think a Council can represent many views, but act harmoniously?

Yes

If you answered yes, how will you contribute to the Council working together harmoniously?

I am already in numerous "teams" in sport, a Brass Band and CFA - all of whom I have enjoyed working harmoniously within for upwards of the past 52 years - I see no reason for that to change being on Council.
