PAGE 1: 2016 City of Greater Bendigo Council election survey of candidates

Q1: Please enter your name and Ward that you are standing in.

Rod Fyffe, Lockwood Ward.

Q2: Do you agree with the following statements by the Intergovernmental Panel on Climate Change (IPCC)? "Warming of the climate system is unequivocal" and "Human influence on the climate system is clear".

Yes

What do you think we should do about it in Central Victoria? Reduce our consumption of electricity and to use alternative sources such as solar, wind. Develop local electrical supplies.

Q3: Select the goals you support from the recently released City of Greater Bendigo Environment Strategy 2016-2021; which includes (click to select, leave blank if not supported)

100% renewable energy generation from local & regional sources

Highly energy efficient systems and buildings

Zero recoverable resource sent to landfill

Council will support commercial scale agriculture & horticulture, and local urban food production

Council will promote green job & industry creation in Bendigo

Council will fund initiatives like Sustainability Awards and the Community Sustainability Festival.

Council will empower the City of Greater Bendigo Green Team with a budget and give them accountability for the City's own waste and energy goals

Council will work with businesses and community to secure 100% renewable energy for all Greater Bendigo residents & businesses

Comments A combined community (including businesses) approach is needed. There will be a need for more than council to be a champion of this.

Q4: Do you support Council's plan to transition Greater Bendigo to an integrated transport and mobility network built around neighbourhoods containing most of residents needs and able to be accessed within a 10 minute walk or cycle or via public transport?

Yes

Comments Makes very good sense economically, healthy and create social cohesion.

Q5: Do you support the proposition that our urban areas of tomorrow should be designed predominantly for people and not cars?

Yes

Q6: Would you support us having a network of connected and safe 'separated' bike paths and lanes criss-crossing our city and towns instead of the current mostly white lines painted on the road?

Yes

Q7: The Council has approved a Cultural Diversity and Inclusion Plan to encourage fairness and equality for all Bendigo's citizens. Do you support this plan?

Yes

Comments

A very good plan. The concept of having different groups lead different aspects of this plan is an excellent model.

Q8: Will you work to ensure the Cultural Diversity & Inclusion plan is implemented effectively?

Yes

Q9: Do you think a Council can represent many views, but act harmoniously?

Yes

If you answered yes, how will you contribute to the Council working together harmoniously?

Working actively with a wide range of people and different views.
